Re: Public Records Request

Dear Mr. Gaddis:

As the City Attorney for Mitchell, I received a copy of your letter to Police Chief Presnell concerning recordings captured by Officer Blair's in-car audio microphones on March 25, 2010. I also received a copy of electronic messages between of you and Chief Presnell concerning this matter, and I noted that you mentioned to him that you had sent a message to me concerning this request. I have reviewed my many electronic messages but found none from you, but in the event I somehow missed your message I apologize.

Concerning your request, the City of Mitchell must deny it as the record(s) requested fall into the statutory exception for investigatory records (Indiana Code § 5-14-3-4(b)(1)).

Thank you for your continued interest in the activities of the City of Mitchell. If you have any questions about this response, please feel free to contact me at any time.

Very truly yours,

William H. Mullis, P.C.
